and start the most amazing journey
of your life.

To Teach, to Delight and to Inspire.

Haven International School is a student-focused, comprehensive school that produces outstanding graduates who are prepared for personal and university success.

ABOUT US

Welcome to Haven International School, where our standard of excellence provides our international and local students with the foundation for entrance into top ranked Canadian and world universities. This is an exciting stage in our students' lives; they join us ready to enjoy new experiences and face new challenges. By the time they finish here at Haven International School, they will be equipped to leave with the confidence, knowledge, skills and responsibility essential for them to flourish in university and ultimately become active and contributing members of society.

OUR PROMISE

We are committed to seeking new challenges and opportunities to help students fulfil their potential, both academically and socially, so they leave us with the widest range of choices available to them in a challenging society.

OUR AIM

Our aim is that every graduating student leaves the school with the opportunity to enter the university program of their choice and graduate from that program. Students at Haven International School, are given the tools to embrace opportunities and to confidently face any challenge they encounter.

PROGRAMS

1

PRE-UNIVERSITY

The Pre-university package is a 14-credit program focusing on developing the skills and attitudes required to not only enter post-secondary institutions, but to also enhance student academic success and overall participation throughout the years at university.

2

HIGH SCHOOL

Welcome to Haven International School, where our standard of excellence provides our international and local students with the foundation for entrance into top ranked Canadian and world universities. This is an exciting stage in our students' lives; they will join us ready to enjoy new experiences and face new challenges. By the time they finish at Haven International School, they leave equipped with the confidence, knowledge, skills and responsibility essential for them to flourish in university and ultimately become active and contributing members of society.

3

SENIOR ELEMENTARY SCHOOL

Both Domestic and International students have their first opportunity to become part of Haven International School family when they successfully complete Grade 6 and are ready to enter senior elementary school. They can enter Haven's exciting and challenging education environment that is tailored to meet their academic needs, while at the same time helping them develop a love for learning and an independence in their thinking. Further, they develop the skills needed for working with others in a collaborative environment. Upon successful completion of the two years of senior elementary school, students are awarded the Haven International School Grade 8 Graduation Diploma.

4

ESL PROGRAM

Students for whom English is not their first language can enter the Haven ESL five level program at any grade from 9 to 12. This program is individualized and can accommodate students from the non-English speaker to the student who is ready to confidently qualify on a standardized test of English skills to enter English only courses at university.

STUDENT GUIDANCE AND COUNSELING

We're here to listen when you need to talk. At Haven International School, a range of experts are on hand to support your success, to assess your needs for wellness and determine the best assistance for you.

UNIVERSITY PLACEMENT

Starting with their arrival for the first time on the campus of Haven International School, students receive regular, individual, and small group counseling, which continues right up to their graduation from high school and transition on to the next stage of their education and career development.

STUDENT EXCHANGE PROGRAM

A student exchange program is an opportunity to observe the Canadian education and culture before fully committing to an education in Canada. Come study with us for a semester. For more information regarding our student exchange program, please contact us.

TUTORING

Our tutoring programs help students develop study and learning skills that will set them up for success for their entire life. We offer personalized learning plans designed for each student.

COMPETITIONS

EUCLID MATHEMATICS CONTEST

The Euclid contest, which attracts over 20,000 writers from all over the world each year, offers senior secondary school students the chance to approach brand-new issues with imagination and all of the information they have learned in secondary school mathematics.

PASCAL, CAYLEY AND FERMAT MATHEMATICS CONTESTS

The Pascal, Cayley, and Fermat (PCF) Contests provide participants an enjoyable opportunity to learn more about the possibilities of mathematics and how they fit into it. These multiple-choice competitions can assist learners in developing confidence and can motivate them to become enthusiastic about maths.

HAVEN INTERNATIONAL SCHOOL MATH COMPETITION

Every year Haven International School's Mathematics Department organizes a Math Competition in which our students develop problem-solving skills, learn to think outside the box, handle pressure, and teamwork. Special thanks to Professor Dr. Multani for preparing our students for this challenge. Shoot out to the students for their hard work.

EVENTS

We have planned a number of activities and events that encourage students to learn while also encouraging their creativity and inventiveness.

RESIDENCE

Moving to a new country is a big transition and we are here to provide all our students with a safe and secure residence. We offer a comfortable, modern, and low-maintenance living space for our students. We have a variety of different separate male and female residences. There are semi-private or private bedrooms with shared living space (For example: Kitchen, Bathroom, etc.) Cleaning is done in all the common areas twice a week. Our school bus provides transportation for students to and from school. Our residences are vibrant student communities where students create lasting friendships and unforgettable memories. Our residences are exquisite and cozy homes providing maximum comfort.

MEALS

We understand that being in a diverse society, everyone has their special familiar cuisines. Students have the opportunity to taste new ones. We offer a buffet style for breakfast, lunch, and dinner so students can have a variety of meals. Our meal plans include 3 meals/day 7 days a week. We take care of our students' dietary restrictions such as food allergies. We also have vegetarian, halal, etc. options to meet our student's needs as well.
